**Ranking System**

FirstEnergy's rating system reflects our outlook for expected performance of an issuer's equity securities relative to its peer group over the next twelve months.

A Top Pick (Buy) rating represents a security expected to provide a return materially higher than the peer group average.

An Outperform (Buy) rating represents a security expected to provide a return greater than the peer group average.

A Market Perform (Hold) rating represents a security expected to provide a return in line with the peer group average.

An Underperform (Sell) rating represents a security expected to provide a return less than the peer group average.

A Speculative Buy (Buy) rating represents a security where the return potential is high, but the risk of a significant loss is material.

A Tender (X) rating represents a security where investors are guided to tender to the terms of the takeover offer.
